Chair Elect
Treasurer Michael Morris
Secretary Patricia Wiseman

APPLICATION FOR MEMBERSHIP

The Wyoming – Erie Regional EMS Council (WEREMSC), established on January 1, 1978 per the New York State Department of Health, is one of 17 Regional EMS Council that is an administrative council for pre-hospital care providers. It is a voluntary council that has no employees, and can have up to 30 members; both counties can have 15 people represent them.

The make up of the council is multi-disciplinary. There is representation from ambulance services, local emergency medical care committees, physicians, nurses, hospitals, health planning agencies, fire department emergency and rescue squads, public health officers, and the general public. All members must reside within the region. The membership committee will review all applications and make a recommendation to the Council for membership. The Council will not discriminate against persons based upon age, sex, sexual preference, color, national origin, race, creed, or religion.

Name: _____ County of Residence: _____

Address: _____

Phone: _____ Cell Phone: _____

E-Mail Address: _____

List any current EMS affiliations: _____

Briefly describe why you wish to become a member and what you could bring to the council:

I hereby make application for membership on the Wyoming – Erie Regional EMS Council fully understanding that membership requires a commitment of time and travel for meetings and activities, which are designed to benefit the delivery of EMS within this region. I understand that the membership committee will conduct an investigation and be in contact with me.

Date: _____ Signed: _____
